

Greenomy – Cookie policy

1. Preamble

At Greenomy, we believe in being clear and open about how we collect and use data related to you. We use cookies to collect and use data as part of our Services, as defined in our Privacy Policy (“Services”). In the spirit of transparency, this Cookie Policy provides detailed information about how and when we use these cookies.

2. Cookies

2.1 What is a Cookie

A cookie is a small text file placed on your computer or device by our Services when you visit certain parts of our Website and/or when you use our Services.

2.2. Why do we use Cookies

In order to make full use of the personalised features of our Services, we ask you to store a certain number of Cookies on your computer, or other device (e.g., tablet or mobile phone). Except for the Cookies that are strictly necessary when using our Services, you can manage your Cookie preferences. Please note that disabling cookies may result in reduced functionality of the Website, loss of personalization, and the need to re-enter login credentials.

Our Cookies do not store sensitive information such as your name or address: our cookies simply hold the ‘key’ that, once you are signed in, is associated with this information.
